

Make A Difference

Eastside “Help Build Hope” Resource Center

As Eastsiders - and Christ Followers - we have claimed several key scriptures that we will apply to every aspect of our daily walk. Specifically when we talk about wanting to be “Difference Makers” in our own community and beyond, we look to James 2. It isn’t enough to say we have faith or to have good intentions of hoping to see people helped around us - we are called to action! Through the Eastside Help Build Hope Resource Center - we are able to help meet some basic needs for families in our community - food assistance, school supplies and financial aid are made available to families who are in need.

If You Can Help Make A Difference - we are currently accepting donations of the items listed to the right - or you can make a financial contribution at www.myeastside.cc by clicking on the **GIVE ONLINE** tab on the home page - we accept all credit/debit cards as well as checks online.

If You Are In Need - please call us to schedule an appointment at 513-831-4373. We have a simple Needs Assessment process that will help us in providing solutions for you and your family.
